Team Porzio Walks to Fight Diabetes

October 26, 2013

Congratulations to the Porzio team who participated in the American Diabetes Association's (ADA) STEP OUT WALK TO FIGHT DIABETES. The Bridgewater walk brought in nearly $200,000 with Porzio among the top 10 fundraising teams. Joining team leader Tom Spiesman were Porzio walk team members Sarah Canberg, Barbara Schwartz, Austin Hastings, Chris Hastings, Christopher Hendershot and Debbie Spiesman. The team raised close to $4,000 which will be used towards research, advocacy and education goals of the ADA.

Here at Porzio, we share in the optimism that we can help find a cure through support of the ADA. Thank you to all who have donated and given their time. To show your support, please use the link below to help us reach our team fundraising goal and support the goals of the ADA.
