presents

Alzheimer's Disease: Approaches to Care

Morris County Caregiver Conference

Morristown Medical Center Health Pavilion

3rd Floor Community Room
333 Mt. Hope Avenue
Rockaway, NJ 07866

Saturday, July 29, 2017

8:30 a.m. – 12:30 p.m.

Caregivers face many complex issues while providing care for loved ones with Alzheimer's disease and other forms of dementia. This half-day conference for caregivers will provide practical information about how to cope with the unique challenges of caring for someone with Alzheimer's disease. The conference will include an overview of Alzheimer's, including medication and care considerations, and a session detailing legal and financial planning. Attendees may visit resource tables for information about community support services.

*A light breakfast will be provided by
Oasis Senior Advisors.*
