Governor Murphy signed today a bill that increases New Jersey's minimum wage. The bill is expected to have a significant impact on New Jersey businesses.

The new law increases the minimum wage from \$8.85 to \$10 beginning July 1st. Thereafter, the minimum wage will increase by \$1 per year until 2024. The increase schedule is as follows:

Current:	\$8.85 per hour
July 1, 2019:	\$10 per hour
January 1, 2020:	\$11 per hour
January 1, 2021:	\$12 per hour
January 1, 2022:	\$13 per hour
January 1, 2023:	\$14 per hour
January 1, 2024:	\$15 per hour

The bill only has a few exceptions for small employers (less than six employees), seasonal workers, agricultural workers, and new hires enrolled in a training program. Information about the bill and its impact can be found in our firm's previous update by [clicking here](#).
