Of Counsel

Parsippany, NJ

T: (973) 889-4339

E: SPBenenson@pbnlaw.com

For nearly 40 years, Steven Benenson has represented public and private companies in high stakes class action, business, commercial and product liability litigations in trial and appellate courts across the country.

Steve is an experienced and skilled litigator known for his adeptness in grasping novel and complex issues and effectively advocating for his clients in different tribunals. Steve's methodical approach, strategic analysis, and innovative thinking make him well-suited for resolving challenging and high-risk cases.

Steve has substantial experience in the chemical, manufacturing, pharmaceutical and medical device, information technology, social media, and real estate industries defending consumer protection, fraud, conspiracy, business and anti-trust claims. He has successfully briefed and argued appeals in the United States Courts of Appeal and state appellate courts regarding the recognition of novel causes of action, jurisdiction, consolidation and venue, preemption, class certification, and expert witness disqualification. Steve also counsels companies on crisis response, risk management and liability prevention relating to defective products, warnings and recall campaigns, including before the Consumer Product Safety Commission.

Relevant Experience

- Authored the New Jersey section of the American Bar Association's "A Practitioner's Guide to Class Actions."
- Lead counsel representing the global leader in the logistics industry in defense of consumer protection class action. Obtained dismissal of the case on the basis of federal preemption under airline deregulation statutes.
- Lead counsel representing multinational supermarket chain and commodity supplier in defense of putative nationwide class action. Obtained dismissal of false advertising and consumer fraud claims.
- Lead Third Circuit Court of Appeals counsel to the largest public social media company in an anti-trust, RICO, fraud and privacy case.
- Lead counsel to a public manufacturer of performance apparel; lead counsel to the largest manufacturer of eyewear; co-counsel to the largest public social media company; and co-counsel to a public self-storage REIT in the defense of consumer protection class actions alleging agreements contained unlawful terms and conditions.
- Lead appellate counsel to a multi-national chemical manufacturer contesting a \$205 million verdict arising out of the interpretation of a "most favored nations" clause in a complex tolling agreement. Obtained a reversal of the judgment and a new trial on damages. The client subsequently settled at a savings of nearly \$100 million.
- Lead counsel to Brownsfield private equity funds in defense of corporate veil piercing claims arising out of the bankruptcy of the largest public private financed redevelopment project in New Jersey's history.
- National counsel to a title insurance company in the defense of a consumer fraud class action alleging overcharges for title insurance and closing costs. Obtained a Fifth Circuit Court of Appeals reversal of a federal district court's certification of a filed rate title insurance class action that ended such litigation in Texas.
- Co-counsel in a nation-wide consumer fraud class action brought against a public distributor of medical products claiming price gouging in the sale of flu vaccine. Defeated plaintiffs' motion to disclose confidential customer lists, limited class-related discovery, and obtained a dismissal of the putative class.
- Co-counsel to a leader in consumer electronics in the defense of consumer fraud class action alleging defects in high definition televisions.
- Lead counsel in a year-long complex commercial and environmental arbitration arising out of the world-wide divestiture of a hydraulics business. The dispute involved the parties' respective indemnity obligations and whether

Steven P. Benenson Cont.

contamination claims were subject to insurance coverage. After the arbitration concluded, successfully negotiated a global resolution of the Superfund site claims, and claims involving several international sites.

- National coordinating counsel to a public information service provider in product and enterprise liability, and industry-wide conspiracy claims. Developed the company's strategy for insurance coverage, discovery, experts, motions, trials and appeals. Never lost a case or paid any settlement, and recovered substantially all costs of defense from insurers.
- Co-counsel to a former manufacturer of lead paint in public nuisance, fraud and civil conspiracy claims brought by governmental entities seeking billions in costs for remediation of contaminated buildings and medical monitoring. Member of Supreme Court briefing team that obtained a reversal of the intermediate court's recognition of a public nuisance cause of action.
- Co-counsel and trial team member for public pharmaceutical company in bellwether product liability cases. Devised legal issues strategy, and coordinated discovery, experts, motion practice, trial preparation and court-ordered mediations.
- Lead counsel representing a newspaper, media and commercial printing company in a consumer fraud and breach of contract claim against a multi-national manufacturer of electronic press control equipment. Mediated case to a successful settlement in which client recovered all damages.
- Lead counsel representing a pharmaceutical manufacturer in the defense of a breach of fiduciary duty and fraud case brought by a joint venturer. Devised the overall litigation strategy, and favorably resolved the case at a court-ordered mediation.
- Lead counsel for a chemical manufacturer in contaminated community well water case. Obtained dismissal of all claims. Our client's Superfund site—one of the most heavily solvent contaminated industrial facilities in the country—was adjacent to the affected well. Other defendants paid millions of dollars in settlement to avoid trial.
- Lead counsel to a computer manufacturer in consolidated lawsuits brought by former employees claiming that the corporation intentionally exposed them to carcinogenic substances and conspired to fraudulently conceal occupationally-caused cancers. Devised strategy and obtained summary judgment.
- Counsel to a supplier of train brake accessories in conducting a nation-wide recall and retrofit campaign after a catastrophic derailment. Created and served on a corporate safety committee, supervised independent analytic testing lab, coordinated public relations, managed federal litigation and secured insurance coverage.
