

Mark Allen

Chief Technology Officer

Parsippany, NJ

T: (973) 889-4250

E: MTAllen@pbnlaw.com

Mark Allen leads a team of skilled IT professionals focused on providing robust, secure systems, ongoing user education and prompt service to Porzio attorneys and administrative personnel. He collaborates with a strong leadership team to align technology with Porzio's strategic initiatives by implementing modern systems that improve efficiency, productivity and client service.

Mark has over 30 years of Law Firm IT experience, including over 20 years as the head of several law firm IT departments. He collaborates with his peers in other law firms through trade organizations and networking through personal connections. He also focuses his efforts on innovation, resilience, security and productivity.
