

Angela M. Coxe

Of Counsel

Parsippany, NJ

T: (973) 889-4130

E: AMCoxe@pbnlaw.com

Angela Coxe is a seasoned intellectual property professional with a diverse background spanning patent law, technology transfer, and business development. Her practice focuses preparing and prosecuting patent applications for computer hardware and software, printmaking technologies, business methods, and mechanical arts. She has a proven track record of success in navigating the complexities of intellectual property matters, ensuring that her clients' innovations are protected to the fullest extent.

Angela also has experience in trademarks, and copyrights. Her broad knowledge base allows her to provide tailored legal solutions to meet her clients' needs.

In addition to her intellectual property experience, Angela brings valuable experience in business development, specializing in patent sales, technology transfer, patent licensing, and IPv4 address transfers. Her adept communication skills and ability to negotiate agreements have led to the successful management of multimillion-dollar deals.

Angela has authored numerous articles related to intellectual property law, mathematics, and computer science.
