

Anthony J. DiMarino

Of Counsel

Anthony (Jay) DiMarino is an Of Counsel with Porzio, Bromberg & Newman and an attorney with the Intellectual Property firm DiMarino, Lehrer & Collazo, P.C.

Porzio maintains an of counsel relationship with DiMarino, Lehrer & Collazo, P.C., a respected Intellectual Property law firm with over a century of combined experience in IP and litigation. With technical backgrounds in engineering, biology, genetics, chemistry, aviation, telecommunications, satellite technologies, and software, the team offers a powerful blend of legal and scientific expertise. DiMarino, Lehrer & Collazo, P.C. offers comprehensive services in patent, trademark, and copyright litigation; prosecution and maintenance; trade secret and unfair competition matters; and strategic IP counseling, including due diligence and infringement claims. Through this of counsel relationship, Porzio extends its intellectual property capabilities and offers clients access to deep technical knowledge and practical, business-focused IP legal solutions across diverse industries.
