Stuart Backer has a strong foundation in bankruptcy and commercial litigation, developed through hands-on experience in law firms, judicial chambers, and corporate legal environments. He focuses on delivering clear, practical legal guidance and works closely with clients to navigate complex financial and restructuring challenges with efficiency and confidence.

During law school, he served as a Summer Associate at Porzio, Bromberg & Newman, P.C., where his work focused heavily on bankruptcy and restructuring matters. He drafted detailed legal memoranda addressing Chapter 7 and Chapter 11 bankruptcy issues, analyzed debtor and creditor rights, researched avoidance actions and claims litigation, and evaluated strategic considerations in distressed business and insolvency scenarios. His in-depth case law analysis supported restructuring strategies and informed decision-making for clients facing financial distress.

In addition to his core bankruptcy and litigation experience, Stuart has supported matters involving regulatory interpretation and related compliance considerations, as well as limited exposure to tax and personal injury issues. While these experiences broadened his legal perspective, his primary focus remains on bankruptcy and financial restructuring matters, where he applies a practical, results-oriented approach to protecting client interests.

Clients value Stuart's responsiveness, attention to detail, and ability to distill complex bankruptcy issues into clear, actionable guidance. He is committed to achieving efficient, effective outcomes for clients navigating financial distress and litigation risk.
