In Memoriam: Kristin Eberhardt

January 3, 2018

On January 2, 2018, Porzio, Bromberg & Newman, P.C., and Porzio Life Sciences lost Kristin Eberhardt, a beloved member of the firm. Kristin, Senior Regulatory Analyst at Porzio Life Sciences, was a member of the Porzio family for nearly 16 years, starting with the firm as a paralegal in the litigation practice before taking on her most recent role.

Kristin will be missed as both a colleague and a friend, and was known across the firm for her kind and generous spirit and outstanding professional contributions. Kristin was a dedicated and loving mother to her two young children. Her passing is an immense loss to her family, the Morristown office, and all of the Porzio companies.

Our thoughts and prayers go out to Kristin's family during this difficult time. Porzio has established a fund to benefit Kristin's two children. Anyone interested in contributing may send donations made out to Porzio, Bromberg & Newman, P.C. Please reference: Kristin Eberhardt Fund in the memo.

Donations can be mailed to:

Porzio, Bromberg & Newman, P.C.
