

Porzio Sees Highest Growth Rate of NJ Firms Listed in National Law Journal's NLJ 500 Survey

July 12, 2018

Porzio, Bromberg & Newman, P.C. had the highest percentage growth rate of New Jersey law firms listed in the National Law Journal survey, the NLJ500. The NLJ500 is a survey of the 500 largest law firms in the United States.

With 9.9% headcount growth in 2017, Porzio ranked first among the 19 New Jersey-based firms listed in the survey. This growth propelled the firm forward 52 spots in the ranking.

Vito A. Gagliardi, Jr., took the reigns as Managing Principal in March 2017. Under Gagliardi's leadership, the firm has added more than 50 new employees, including nine lawyers.

"Porzio has a rich history of being a leading firm in New Jersey," Gagliardi commented. "By leveraging our growth and talent acquisition strategy, we are continuing to build out our teams and services so that we can best serve the needs of our clients. We've always been an innovative and entrepreneurial firm, and it's exciting to see our strategy playing out in the market."
