On November 21, 2019, Porzio and its family of companies received the Community Impact Award from the Arc of New Jersey. The award honored Porzio's commitment to ensuring that all students are protected including those with intellectual and developmental disabilities. Managing Principal and President of the three subsidiaries, Vito Gagliardi, Jr., accepted the award on behalf of all companies. In addition to receiving the Community Impact Award from The Arc of New Jersey, Porzio was presented with a Joint Legislative Resolution from the Senate and General Assembly of the State of New Jersey recognizing and formalizing our "outstanding efforts in benefit of children and adults with intellectual and developmental disabilities and their families." A duly authenticated copy of this resolution, signed by the Senate President and the Assembly Speaker and attested by the Senate Secretary and the Assembly Clerk, can be accessed by [clicking here](#).
