Since its inception in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence. Because *Best Lawyers* is based on an exhaustive peer-review survey in which more than 39,000 leading attorneys cast almost 3.1 million votes on the legal abilities of other lawyers in their practice areas, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. Corporate Counsel magazine has called *Best Lawyers* "the most respected referral list of attorneys in practice."

It is important to note that the lawyers listed in *Best Lawyers* have no say in deciding which practice areas they are included in. They are voted into practice areas entirely as a result of the votes they receive from their peers. The subspecialties listed after their names are based on information from a variety of sources.
