Porzio Principal Diane Fleming Averell has been named to the BTI Client Service All-Stars 2022 for delivering the absolute best in client service. The BTI Consulting group surveyed 350 top legal decision-makers at large organizations with \$700 million to the largest companies in the world. Clients reported, “Diane is super responsive and delivers phenomenal service”; “Diane has everything under the sun to meet our needs”; and “I can tell Diane wants to make my life easier.”

Only 565 attorneys across the country received this distinction. The annual list is the hardest – and most meaningful – ranking. Only those recognized by top legal decision-makers without any law firm influence can make the list.

Diane also was recognized on the BTI Client Service All-Stars in 2020 in the area of Product Liability Litigation.
