Porzio, Bromberg & Newman has been recognized for its exceptional service to clients in the BTI Client Service A-Team 2024: The Survey of Law Firm Client Service Performance.

For over two decades, BTI Consulting Group has been releasing its definitive ranking of law firm client service in the corporate law firm market, based on 17 objective ranking factors that corporate counsel agree are crucial for strong relationships with law firms.

Out of the 650 law firms vying for business from mid-and large-size companies, corporate counsel singled out 207 law firms by name, according to BTI. This is the only legal ranking that identifies top law firms for client service through a national survey of corporate counsel.
