Each year, no more than 5% of the lawyers in the state are selected by the research team at Super Lawyers to receive this honor, and no more than 2.5% of lawyers in the state are selected by the research team at Super Lawyers for the Rising Stars honor. Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive, and diverse listing of exceptional attorneys.
