

Porzio, Bromberg & Newman Earns BTI Client Service A-Team Recognition for Third Consecutive Year

June 16, 2026

Porzio, Bromberg & Newman has once again been named to the BTI Client Service A-Team 2026, marking the firm's third consecutive year earning this distinction. The BTI Client Service A-Team is the only law firm ranking based solely on objective feedback from corporate counsel, making this recognition especially meaningful.

This year, Porzio was also recognized as one of just 89 firms identified as “Most Improved” in client service performance, reflecting continued progress in strengthening client relationships and delivering exceptional service.

Now in its 25th year, the BTI Client Service A-Team evaluates firms across 17 performance areas that clients value most in their outside counsel relationships, including client focus, business understanding, and value delivery. Out of more than 650 firms serving mid- and large-sized organizations, only a select group are recognized.

These honors underscore Porzio's ongoing commitment to listening to client feedback, anticipating needs, and providing practical, business-driven solutions that deliver meaningful results.
