March 30, 2014

Members of Porzio, Bromberg & Newman P.C. (Porzio) and the firm's lobbying subsidiary, Porzio Governmental Affairs (PGA), will once again attend the 77th Annual Walk to Washington and Congressional Dinner being held on April 22, 2014. Porzio Principal Vito A. Gagliardi, Jr. will join PGA Executive Vice President Lynn Nowak, Vice President Barbara DeMarco and Legislative Director Sal Anderton for this distinctive event organized by The New Jersey Chamber of Commerce.

The Walk to Washington brings together corporate executives, mid-size business owners, entrepreneurs, state government and legislative leaders for an annual trip to the nation's Capital to meet with the state's top political leadership. It is a unique opportunity to address New Jersey's economic situation with our Congressional Delegation and open up conversation on how to make New Jersey a better place to do business.
