Porzio Governmental Affairs Recognized in NJLJ as Top Ten NJ Lobbying Law Firm

March 17, 2014

Porzio Governmental Affairs (PGA) is ranked number 6 for total fees of lobbying firms associated with a law firm, according to an article by prominent legal weekly newspaper New Jersey Law Journal(NJLJ). Although the lobbying industry experienced an 11 percent growth over 2012, the NJLJ reported that revenues remained flat for the top 10 law firms that lobby in New Jersey.

NJLJ reported on revenues of registered lobbyists in New Jersey released from the Election Law Enforcement Commission(ELEC) on March 6, 2014. Reflective of the unchanging market share, the ELEC's report places PGA at the same number 6 ranking it held in 2012.
