Sal Anderton will be a guest on a segment of NBC10 @ ISSUE, a WCAU-TV weekly public affairs program, scheduled to air on September 22, 2013 at 11:30 a.m. The program will focus on end-of-life concerns and a pending assisted suicide case.

Mrs. Mancini is being prosecuted under the Pennsylvania assisted suicide laws for handing her 93 year old terminally ill father a bottle of morphine prescribed by his hospice physicians, which he then drank, resulting in his death 4 days later.
