

EGR North America: Unlocking Pennsylvania - Barbara DeMarco Speaks to the Future of PA Online Gaming

March 17, 2015

The January 2015 issue of eGaming Review North America ("EGR North America") highlights Pennsylvania's significant 2014 progress towards online gaming and speculates as to the Keystone State's next steps.

Porzio Governmental Affairs' Vice President Barbara DeMarco comments on the current political climate, saying that "The administration will need about six months to settle and shake out... New people will be coming in with roles more reflective of Governor Wolf's agenda."
