# Family, Friends, Colleagues and Clients Gather to Celebrate the Life and Legacy of Myron J. "Mike" Bromberg

May 10, 2016

On Tuesday, May 10, 2016, family, friends, colleagues and clients gathered to celebrate the life and legacy of Myron J. "Mike" Bromberg. More than 400 guests from across the country were drawn to Porzio's Morristown, New Jersey office to share a lifetime of memories.

Mike passed away on April 30, 2016 at the age of 81. He was one of Porzio's three founding principals and served as the Managing Principal for 28 years. A distinguished trial lawyer, Mike loved the law and the opportunities it afforded him to make a difference in the world. He was an active and enthusiastic member of the legal community and cherished the opportunity to mentor young lawyers, many of whom would go on to become principals of Porzio.

Mike's influence and impact were palpable throughout the event. With a personality larger than life, Mike was described in many words: brilliant, demanding, charismatic and kind, to list only a few. He loved life and lived it on his own terms – always. Mike served as mentor and friend to many and will be tremendously missed.

The *célébration de la vie* was a touching tribute to Mike's memory and his contributions to Porzio and the community at large.
