Porzio Attorneys Present on Environmental Issues Related to Real Estate Purchase and Lease Transactions

November 18, 2016

By: Carmen Andrade, Thomas Spiesman

Porzio principal Thomas Spiesman and counsel Carmen Andrade, members of the firm's Real Estate and Environmental practice groups, presented to the CB Title Group on "Clearing Environmental Issues in Connection with Real Estate Purchases and Lease Transactions: Due Diligence, Risk Assessment and Allocation and Clean-Up". The session took place in Paramus, NJ on November 18, 2016.

Tom and Carmen advised attendees on how to identify and resolve environmental issues that are discovered during the due diligence phase of a purchase or lease transaction.
