Team Porzio Marks 24th Year as Supporter of the ADA's Step Out Walk to Fight Diabetes

September 7, 2016

Porzio attorneys and personnel will again participate in the American Diabetes Association's (ADA) *Step Out Walk to Fight Diabetes* on October 16, 2016 in Bridgewater, New Jersey. This year's event marks Porzio's 24th year as an event supporter. The Porzio team has raised thousands of dollars in donations, which has been applied towards the research, advocacy and education goals of the ADA.

Diabetes impacts many people and almost everyone knows someone who deals with the daily struggles of this disease. But here at Porzio, we share in the optimism that we can help find a cure through support of the ADA.
