Porzio's Education Team participated in the New Jersey School Boards Association (NJSBA) Workshop 2016, held October 25 - 27, 2016 in Atlantic City, New Jersey. The Education Team, led by principals Vito A. Gagliardi, Jr. and Kerri A. Wright, also hosted its annual cocktail reception for invited guests.

The annual NJSBA Workshop brings together New Jersey's school administrators, curriculum directors, technology professionals, and school facility managers for a series of important trainings and knowledge-sharing opportunities. This year's program highlighted professional development in negotiations, school law and policy, curriculum, technology, STEAM education, and other areas vital to school district governance.
