Porzio intellectual property attorney and principal [Todd A. Denys](#) has once again been recognized by the *WTR 1000 - The World's Leading Trademark Professionals*. Mr. Denys has been honored with this distinction annually since 2012.

Mr. Denys counsels clients in trademark, copyright and domain name matters. The guide further notes that "Todd Denys has no shortage of Fortune 500 entities on his client roster and is a regular before the Trademark Trial and Appeal Board; domain name management is another strong suit."

Porzio's Intellectual Property practice as a whole is also acknowledged by *WTR 1000*. According to the guide: "The trademark practice at full-service Porzio Bromberg & Newman dovetails neatly with the firm's solid life sciences team to form a particularly powerful draw for pharmaceutical clients. Unsurprisingly given this skill set, name clearance searches under the Food and Drug Administration rules are a real forte. Two offices in the state are complemented by bases in New York, Washington DC and Massachusetts, making it a persuasive contender on the East Coast."

The *WTR 1000* is the only definitive guide exclusively dedicated to identifying the world's leading trademark legal services providers. Through an extensive research process conducted by a team of highly qualified, full-time analysts, the publication identifies the leading trademark law firms and individuals in over 50 global jurisdictions.
