PORZIO LIFE SCIENCES WEBSITE RECEIVES 2015 W³ SILVER AWARD

MORRISTOWN, N.J., December 22, 2015 – The Porzio Life Sciences, LLC ("PorzioLS") company website has been honored with a 2015 W³ Silver Award for the newly relaunched design of www.PorzioLifeSciences.com. Celebrating its 10th year, the W³ Award honors creative excellence on the internet. In 2015, the judges received over 4,800 submissions from agencies all over the globe.

The W³ Awards are sanctioned and judged by the Academy of Interactive and Visual Arts ("AIVA"), a body of highly-esteemed professionals from media, interactive, advertising and marketing firms. AIVA members represent a wide range of media forms and include executives from organizations such as Disney, HBO, Microsoft, Monster.com, MTV, Sesame Workshop, Victoria's Secret, Wired, and Yahoo!. For more information about AIVA and to view the full member roster, visit www.aiva.org.

The new PorzioLS website was designed by Streng Design ("Streng"). Founded in 1998, Streng is a leading design agency with locations in New York City and Chicago. An internationally-acclaimed branding firm, Streng has provided innovative solutions for some of the world's leading companies, including Kohler, MTV, Prada, BMW, Pyrex and KitchenAid. For more information about Streng and to view their diverse design portfolio, visit www.strengdesign.net.

The full list of W³ Award recipients is available at <https://www.w3award.com/winners/>.
